

Организиране и участие в Орг. комитети на мероприятия

на проф дфн Хасан Шамати

1. 16th International School on Condensed Matter Physics, *Progress in Solid State and Molecular Electronics, Ionics and Photonics*, 29 Aug – 3 Sept 2010, Varna, Bulgaria.
Член на Организационния комитет
2. 17th International School on Condensed Matter Physics, *Open Problems in Condensed Matter Physics, Biomedical Physics and their Applications*, September 2nd – 7th, 2012, Varna, Bulgaria.
Член на Организационния комитет
3. 18th International School on Condensed Matter Physics, *Challenges of Nanoscale Science: Theory, Materials, Applications*, September 1st – 6th, 2014, Varna, Bulgaria.
Член на Организационния комитет и Местния научен съвет
4. INERA Conference 2015: *Light in Nanoscience and Nanotechnology* (LNN 2015), 20th – 22nd October, 2015, Hissar, Bulgaria
Член на Организационния комитет
5. 19th International School on Condensed Matter Physics, *Advances in Nanostructured Condensed Matter: Research and Innovations*, August 29th – September 2nd, 2016 Varna, Bulgaria
Председател
6. INERA Workshop 2016, *Membrane and Liquid Crystal Nanostructures* (MELINA-2016), 3-6 September, 2016, Varna, Bulgaria.
Член на Организационния комитет
7. INERA Conference, *Vapor Phase Technologies for Metal Oxide and Carbon Nanostructures*, July 6 – 8, 2016, Velingrad, Bulgaria
Член на Научния комитет
8. 20th Jubilee International School on Condensed Matter Physics, *Physics and Application of Advanced and Multifunctional Materials*, September 3rd – 7th, 2018 Varna, Bulgaria
Материалите са публикувани във physica status solidi a & Journal of Physics Conference Series
Председател
9. 10th Jubilee Conference of the Balkan Physical Union, 26 – 30 August 2018, Sofia, Bulgaria.
Член на International Advisory Committee
10. 21st International School on Condensed Matter Physics, *Progress and Perspectives in Functional Materials*, August 31st – September 4th, 2020 Varna, Bulgaria
Материалите са публикувани във physica status solidi a & Journal of Physics Conference Series Председател

11. Turkish Physical Society 36th International Physics Congress (TPS-36), 01-05 September 2020, Bodrum, Turkey, 2020.
Член на Научния комитет
12. International Conference on Lasers, Plasma, and Radiation – Science and Technology June 7-10, 2022, Bucharest, Romania.
Член на Научния комитет
13. 22nd International School on Condensed Matter Physics, *State of the Art in Functional Materials & Technologies*, August 29th – September 2nd, 2022 Varna, Bulgaria
Материалите са публикувани в ACS Omega & Journal of Physics Conference Series
Председател
14. NCMCT Workshop on Advanced Materials & Technologies February 28th – March 1st, 2023, Veliko Tarnovo, Bulgaria.
Председател
15. 23rd International School on Condensed Matter Physics, *Recent Progress in Advanced Materials and Applications*, August 26th – 30th, 2024 Varna, Bulgaria
Материалите ще се публикуват в ACS Omega & Journal of Physics Conference Series
Председател
16. Четвърти национален конгрес по физически науки, 7 октомври – 9 октомври 2024 г., София.
Член на Организационния комитет – Координатор

София, 7 юни 2024 г.
