CERTIFICATE for Dr. Hassan Chamati

This is to certify that Dr. Hassan Chamati was employed as scientific employee (wissenschaftlicher Mitarbeiter) in my research group at our Department of Theoretical Physics from October 1, 2007 to September 30, 2008.

His employment involved teaching duties of 4 teaching hours (180 minutes) per week during the winter and summer semester (15 weeks per semester). During winter semester 2007/08 Dr. Chamati was in charge of a problem session in *Theoretical Physics I (Theoretical Mechanics)* which was part of the course I gave. During summer semester 2008 he was in charge of a problem session in *Theoretical Physics IV (Statistical Physics)* which was part of a course Prof. Dr. Stefan Thomae gave.
